ALL-COUNTY INFORMATION NOTICE I-59-82

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: TRANSFERS FROM RCA TO AFDC-U

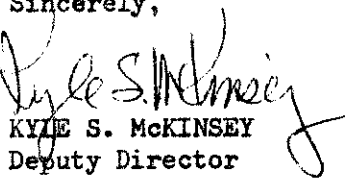

REFERENCE: EAS Section 41-440.43

This is to provide you with information regarding the transfer of qualified families from Refugee Cash Assistance (RCA) to the AFDC program. With the recent implementation of federal RCA program regulations ("18/18 months"), RCA families shall be transferred to AFDC, if eligible therefor, when the 18-month limit for RCA payments has been reached.

In transitioning two-parent families into AFDC-U, it will be necessary to review the principal earner's work history to determine whether he or she has established a prior connection with the labor force, i.e., earned at least \$50 a quarter during the required number of quarters (EAS 41-440.431). When the principal earner's work history indicates he or she received compensation for work in the form of in-kind goods or services, the income shall be converted to its equivalent dollar value through the use of the in-kind income value tables set forth in EAS Section 44-115.8.

If you have any questions concerning the above information, please contact your AFDC Management Consultant at (916) 445-4458. Any other questions regarding refugees should be directed to your refugee program consultant at (916) 322-3141.

Sincerely,

KYLE S. MCKINSEY
Deputy Director
